PROFESSIONAL PROFILE

I always had a passion for architecture since my childhood, that's why I have chosen this subject for my bachelor. I am from CUET, appeared my final exams and final year graduation Thesis.

I did internship in two renowned architectural firms in Bangladesh and I have worked remotely at foreign firms. I am very much workaholic and passionate for Architecture.

I have the several software skills of architectural drawings, Interior design, 3D modeling, and 3D rendering. I have done more than 130+ professional projects.

ACADEMIC PROFILE

Chittagong University of Engineering & Technology
